

Wichita Sluggers' Mission Statement

The Wichita Sluggers Baseball Academy strives to provide young athletes a positive environment for instruction and competition essential to succeed at their highest level. Coaches seasoned with years of professional and collegiate experience provide foundations that continually improve their baseball education and maturity as young men. This is accomplished through repetitions of the fundamentals along with teachings, insight, and perspectives given by an experienced and knowledgeable staff. Wichita Sluggers' emphasizes the importance of team before self and the benefits this approach brings to the individual. Wichita Sluggers' primary goal is to provide the college bound athlete valuable exposure against high caliber competition through our elite network of college coaches and professional scouts.

Wichita Sluggers' Organization Benefits

The Wichita Sluggers' Baseball Academy provides players with coaches and instructors experienced from every level of college and professional baseball. Players are showcased in local, state, and national venues in the presence of collegiate and professional recruiters and scouts. These venues are the highest caliber with the utmost level of competition. Wichita Sluggers' Baseball Academy is recognized as a first-class organization and has developed strong contacts in the baseball community spanning the last decade plus. Wichita Sluggers' Baseball Academy places development and the future of members first. Winning is important, but, never at the expense of any players health or career. Players that choose to participate in the Wichita Sluggers' Baseball Academy are taught much more than just the physical aspects of the game, teamwork, mental toughness, preparation, and work ethic are also very strong points of our player development process.

Sluggers' Academy Member Plans

Pro Academy Member:

Pro Academy Membership includes 4 months of Academy Winter Instruction, in November and December you will receive 3 team practices a month with Sluggers instructors. In January and February you will be put into groups of 8-12 with other academy members; these groups will work with a group of 3-4 advanced instructors (see instructors list and bios on our website) in a setting which gives top notch individual instruction and different perspectives for the Academy member's development as a successful baseball player. All Academy Winter Instruction will be lead by coaches and instructors experienced from every level of college and professional baseball in settings which are designed to promote the individual baseball players advancement towards becoming a college baseball player. In November and December your Sluggers team will be scheduled 3 practices per month; these practices will be lead by Sluggers advanced baseball staff.
